## PROFESSIONAL EXPERIENCE

### University of California Police Department

July 2019 – Present

#### Community Service Officer

Berkeley, California

- Ensured campus and local community's security at night through providing late-night escort services to students
- Increased the efficiency of the local police department by patrolling at night and providing critical information in the event of emergencies or suspicious situations through effective and timely communication

### Alpha Beta Gamma Business Honor Society

May 2017 – May 2018

#### Treasurer

San Francisco, California

- Prepared semi-annual budget reports; processed club weekly expenses; monitored and audited cost variance
- Increase member participation by 46.7% through leading and managing a guest speaker series

### City College of San Francisco

May 2016 – May 2018

#### Statistics Tutor

San Francisco, California

- Strengthened students' critical thinking and analytical skills through tutoring in probability and data analysis
- Improved student academic performances by mentoring 57 students and helping them develop efficient study plans

### U.S. Navy

July 2009 – August 2015

#### Work Center Supervisor, Active Duty, QA Inspector, Maintenance

San Diego, California & Yokosuka, Japan

- Spotlessly completed thousands of maintenance and emergency repairs on various high-voltage electrical equipment in a high-pressure and undermanned working environment
- Supervised and mentored 18 subordinates; conducted technical trainings and arranged weekly work tasks; inspected and corrected their works; improved overall divisional productivity and efficiency; ensured command mission readiness

## PROJECTS

### Portfolio Management

May 2017 – Present

- Researched and analyzed the capital market; constructed a diversified long-term value-based investment portfolio
- Implemented core-satellite investing strategy with selected high potential IPOs which resulted in substantial returns of 173% within two years
- Generated average daily net gains of \$223 on crypto-currency trades by analyzing the latest market information and trading strategically

### Real Estate Investment & Management

September 2012 – Present

- Performed a detailed analysis of the San Diego real estate market and strategically invested in a rental property
- Generated 18% ROI with an original 80% debt to asset ratio; the market value of the property gained 56% as of today

### Spa Owner and Onsite Manager

December 2011 – April 2014

- Incorporated, leased, renovated, recruited and managed a foot massage spa which consisted of 8 full-time employees
- Increased revenue by ~\$85,000 for 2013 through effective marketing, cost reduction and innovative sales strategies
- Strategically analyzed the opportunity cost, effectively negotiated with buyers, sold the business for a net profit of \$30,800
